

ASSISTANT ADMINISTRATOR/CHIEF FINANCIAL OFFICER (REGIONAL CFO)

To live and work in a paradise is the dream of many. Exceptional quality of life, abundant recreational opportunities and near perfect weather.

If you are a seasoned healthcare financial executive with a minimum of five years experience as a financial executive – Director of Finance or Chief Financial Officer – in a general acute care hospital and would like to live and work in one of the most beautiful areas of the world, our search team wants to talk with you.

We are seeking a Regional CFO of a two-hospital division that is part of a statewide healthcare network. The successful candidate will hold a bachelor's degree in accounting, finance or business. A postgraduate degree in financial administration, healthcare or business and current CPA certification is desired. The successful candidate shall have five years of experience in a general acute care hospital with at least 60 beds, and net revenue of \$30 million and a successful record of accomplishment of collaborating with physicians, clinical staff and financial staff.

The Regional CFO, reporting to the Western Regional Chief Executive Officer will have specific responsibility for the financial management, including budgeting, accounting, revenue cycle and cash management, expense control, revenue enhancement, management of physician contracts, and strategic and operational efforts to obtain financial resources through public and private sector grants and donations.

Our client is offering an excellent compensation plan reflecting the successful candidate's experience and previous record of success. The compensation plan also includes an attractive benefits package and generous retirement program. The successful candidate also will receive a relocation package.
