

Vice President of Patient Services/Chief Nursing Officer

We are seeking a Vice President of Patient Services | Chief Nursing Officer for a 269-bed regional medical center in the rolling hills of West Virginia where professional challenge and quality of life are in balance.

The ideal candidate will possess a Master's degree in nursing or relevant field of study with a minimum of seven (7) years of senior nursing leadership experience in an acute care hospital with a minimum of 150 beds and 45,000 patient days.

Our client is the market leader. They intend to continue that leadership through an emphasis on quality care, patient safety, and service. Nursing executives with prior experience as a CNO with a verifiable record of accomplishment in enhancing quality, working effectively with nursing colleagues, physicians and other senior leaders while managing costs in a creative manner, will receive preferential consideration.
