

CHIEF OF DERMATOLOGY

UNIQUE LEADERSHIP OPPORTUNITY IN THE JEWEL OF THE GULF - UNITED ARAB EMIRATES.

If you are Board Certified Dermatologist with previous experience as a Chief or Deputy Chief of Service with significant administrative responsibility, and would like to pursue an opportunity of a lifetime, please contact JohnMarch Partners, a Dallas-based executive search firm that is leading a North American search for our client in Abu Dhabi, UAE.

The successful candidate will hold a medical degree from an accredited medical school in the U.S., Canada or Western Europe and be board certified in the U.S. or Canada. Ten years of post-board certification experience, as a clinician with an excellent reputation for clinical quality and patient safety is mandatory.

Reporting to the Medical Director, the Chief of Dermatology will be responsible for the day-to-day administrative and clinical operations of the Department of Dermatology. We are seeking a change agent who can work to enhance the overall quality of care, through process improvement and the introduction of new services and technology.

Our Client, Global Medical Solutions, a UAE-owned healthcare outsourcing and logistics firm, is preparing a competitive base compensation plan and a generous package of allowances covering housing, education, 36-days of vacation, 10 days of CME leave, and a minimum of 12 holidays. Healthcare for the physician, spouse and up to three children, is free. The successful candidate will be offered a two-year employment agreement with options for renewal.

Based in Abu Dhabi, the capital of UAE and the second largest city in the Emirates, the successful candidate can expect a comfortable, westernized lifestyle with access to a wide range of entertainment, sports and cultural venues. The population of Abu Dhabi is about 1.8 million. Nearly 80 percent of the population is comprised of expatriates working in healthcare, construction, education, oil and gas, and transportation industries, to name a few. The expatriates integrate seamlessly into the bustling Abu Dhabi lifestyle.

Working and living in the UAE offers physicians and their families an exceptional, once-in-a-lifetime opportunity for easy access to European and Asian capitals for extended vacations or for weekend family trips.
